Re: Adult day center reopening guidance documents
Date: May 22, 2020

On June 1, 2020, Aged & Disabled and Traumatic Brain Injury Medicaid waiver adult day provider facilities may reopen. To help facilitate the reopening the Division of Aging has made available two guidance documents on [Aging's COVID-19 webpage](#), "Process to reopen Indiana adult day centers," and "Adult day center pre-visit screening tool for staff and client evaluation." Please use these documents as guidelines to ensure a safe opening for clients, staff and visitors.
